 nigel.holmes@virgin.net

**\* ENTRIES WILL CLOSE ON MONDAY 7th JUNE 2010 \***

*Numbers subject to space and late entries will not be accepted.*

# Wheels of Yesteryear 2010

Sunday 4th. July

Road run from the Scottish Mining Museum, Newtongrange EH22 4QN to Lennoxlove House EH41 4NZ

Thank you for entering for the Run. The route will be given out on the day, but there will be different country routes for light vehicles and motor cycles, and another route more suited to the commercials. Please remember we will have to cap entry numbers to 80 and regrettably may need to decline some.

Full catering and toilet facilities will be available at the start and finish, and coffee/tea will be available at Glenkinchie. The tour of the distillery is entirely optional, but we hope anyone who has not been there before will take advantage of it. There will be other stalls, crafts etc at Lennoxlove House and hopefully some miniature steam as well. The judging will be done at Lennoxlove House, but obviously the fact the vehicles have driven in will be taken into account

Tractors etc. will be started from a location near to Haddington, to do a shorter local loop, but the detail of this will depend on the numbers interested. Cycles will hopefully start from a site within the Lennoxlove estate, and the run will be to the usual VCC standard.

Please arrive at the SMM by 10am as vehicles will be departing between 10 and 11am. If you need space for unloading a large vehicle, it would be useful for us to know in advance to arrange the area.

Fuel is available at Tesco, 2 miles north, and Shell 1/2 mile to the South, on the A7

Please remember that we are organising this event at our own expense as we will not be able to charge the public for viewing, We are dependent on the goodwill of these venues to be able to have a Run at all. Please do not contact Lennoxlove House directly as they will not have information.
